CHANGE OF TRANSPORTATION

At the beginning of the year, we ask parents to indicate how students will be going home. If a student will be going home in a different manner than usual, a note from the parent or legal guardian, signed and dated, must be sent to the school on the day of the change. We cannot accept a child's statement as change. Frequent changes can be confusing to children and teachers. Please be sure the teacher is informed of your transportation arrangements. If the change is due to unforeseen circumstances or emergencies, please contact the front office. **DO NOT** leave transportation change messages on the teacher's voicemail. The teacher may be absent or may not have an opportunity to check messages before dismissal.

Bus Information

School bus drivers have the authority to monitor and control the behavior of students anytime they are being transported to and from school. Students who do not normally ride the bus route cannot be transported on a bus. Bus riders may not invite friends to ride the bus. Bus drivers cannot transport students without the principal's written permission to the driver. Permission can be given only for emergency reasons related to the health, welfare, and safety of the student.

ATTENDANCE

Instructional time is very important. Parents are responsible for their child's attendance on a daily basis. We encourage families to schedule vacations to coincide with school holidays. On the day a student returns to school, he/she must bring a written excuse from a parent or legal guardian indicating the reason for the absence. A note is also necessary if a student is to be excused from Physical Education. A note from a physician is required to be excused from P.E. for 3 or more days in succession. A parent request for early release or late arrival is not an excused absence unless the release is for illness, medical/dental treatment, or other excused absence.

Excused and Unexcused Absences

Florida Statute 1003.21 establishes that regular school attendance is required of **all** students enrolled in public school. Regular attendance provides students the opportunity to master standards at each grade level. Children who miss school tend to have difficulty mastering standards and keeping up with their work. We know that you are interested in the best possible success for your child. Thus, we are requesting your cooperation in assuring your child be on time and attending school daily.

An excused student absence is defined as illness, death of a family member, family emergency (approved by the principal), and religious instruction or religious holidays. The Principal has the authority to determine if an absence is excused.

For our students' safety, we have a procedure in place when students are marked absent from school. We use an automated calling system to notify parents when a child is absent.

Please note the Elementary Student Attendance policy (SCPS 5.371) below:

- On the day a student returns to school, he/she must bring a written excuse from a parent or legal guardian indicating the reason for the absence.
- The note must be **received within 3 days** or the absence(s) will remain unexcused. After 3 days of unexcused absence or a pattern of absence in a calendar month, with no parental notification, the principal or designee shall contact the parent/guardian. After 5 unexcused absences in a calendar month, school based interventions will be utilized. The principal or designee will refer a student accumulating 10 unexcused absences within 90 calendar days to the school social worker.
- A student may be excused for a continued or repeated illness up to 10 attendance days in a span of 90 calendar days. After this period of time, medical verification will be required. If no verification is submitted within 3 student attendance days, referral to the School Board nurse will be required.

Absence Due to Tardiness, Late Arrival or Early Release

A student who accumulates 5 ½ hours of absence due to tardiness, late arrival, or early release during the regular school day shall be deemed absent for one school day.

Please follow the directions below if your child is tardy or being released early:

- The parent and the child must come to the front office to obtain a tardy slip. Parent must sign in and walk the student to class.
- If your child needs to leave early, you **must** check him/her out through the front office.

All absences, tardies, late arrivals and early releases **not** defined in the Excused Absence Category listed above will be considered **unexcused**. As always, it is our intent to work jointly with you to help ensure your child receives the best possible education. If you have any questions, please feel free to call the front office at 407-320-4850.

Signing out a student during school hours

Anyone signing out a student, including parents or legal guardian, will be required to know the child's security code and show identification. **Students will be released ONLY to person listed on the Security Card.** Early dismissal should be kept to a minimum. If it is necessary for your child to leave school at a time other than at regular dismissal, please notify the teacher. The person picking up the student will need to sign into the front office and go to the classroom to pick up the student and then sign out at the front office before leaving. Please allow enough time for this process as students will not be taken out of class until someone arrives to pick them up.

PARENTAL INVOLVEMENT

Our parents are partners with us in the educational process. We welcome and encourage parent involvement. Parents can become involved through PTA (Parent/ Teacher Association), SAC (School/Advisory Committee), and the Dividends Program.

Our PTA is very active in supporting our school. This involved group of parents arranges informative general meetings for parents, promotes both teacher and student appreciation activities, and assists in improving the educational climate of our school.

The Partin School Advisory Committee (SAC) represents a concerned and responsible group of parents/staff members who want our school to be the best that it can possibly become. They address areas of concern and suggest ways to improve existing conditions. Their positive support is both welcome and needed. The SAC is a volunteer group required by law to provide parent/community input and communications. The meeting days will be published and everyone is welcome to attend.

DIVIDENDS

Our volunteer program, which is currently on hold due to the circumstances, is conducted through the countywide “Dividends” Program. Dividends are parents and citizens who serve as a vital part of the Seminole County Volunteer Program. These wonderful people give their time, spirit, and energy to help broaden the educational opportunities of our students. If you would like to volunteer, you may do so by applying on line at www.scps.k12.fl.us. Dividends must complete this process annually. **All registered dividends must sign in at the front office with their picture ID.**

VISITORS

All Visitors and Dividends (volunteers) are **required to have a picture ID to sign-in and out at the office** on each visit and receive a new visitor sticker (even if you leave and come back). Visitors are **not permitted** to enter classrooms without a visitor sticker. Staff members are instructed to stop anyone without a sticker and notify the office. **At this time, we are unable to allow any additional visitors on campus until further notice.**

During classroom parties and special activities during the school day, babies, toddlers & siblings of any age are **not permitted to attend**. This is due to space, safety and supervision concerns. We plan many events for evening hours and all family members are welcome to attend those events. **At this time all events have been on hold due to Covid 19 and limiting the number of visitors on campus.**

DINING ROOM

Lunchroom Visitors (not permitted until further notice)

Our goal in the cafeteria is to provide a pleasant place where children can converse and enjoy their meals in an orderly and mannerly environment. During the first two weeks of school, we are teaching dining room procedures and expectations to the students. Visitors are welcome to join their students for lunch 2 weeks after school starts. Visitors need to be extra quiet when on campus during testing. During poor outdoor weather conditions, students will not be allowed to sit outside with visitors. Please help us by honoring the following procedures:

- **Check-in at the main office to obtain a visitor sticker.** This is required for the safety of all. Your name will need to be listed on the Partin Elementary Security Card and you will need to provide a picture ID when you sign in. Do not go directly to your child's class.
- You will meet your child at the designated eating area **outside of the dining room** unless directed to do otherwise. Other classmates are not permitted to join you and your child for lunch. Students are not permitted to leave the campus-designated areas for lunch. Older or younger siblings, who do not attend the school, must follow outside dining procedures. Visitors are not permitted to take pictures or videos of any other students or staff at any time.
- Visitors are allowed to purchase adult lunch but are not allowed to visit other students. Please make sure that your badge is visible for staff members who are supervising or working in the cafeteria. If you are not wearing a visitor sticker, you will be asked to return to the main office prior to having lunch.
- When lunch is over, please do not follow your child to any campus area.

Lunch is a time for students to build and develop friendships and independence. Therefore, please allow them this time to socialize. School volunteers, who are registered, must also follow the lunchroom procedures by signing in at the front office. The Principal, or Principal's designee, has the authority to exclude any parent/visitor who is considered disruptive or does not supervise their child in the designated lunch area. The administration can also approve other visitors not designated on the security card.

In an effort to limit disruptions to the classroom-learning environment, dropping off items for lunch should be limited to special occasions or special circumstances.

Birthday Celebrations (not permitted until further notice)

Due to the county policy, parents will not be allowed in the dining room to hand out birthday treats. If sending in treats, they will be handed out by your child and/or Partin staff. Please contact your student's teacher to make arrangements for birthday treats. Delivery of balloons, flowers, stuffed animals, etc., are discouraged, but if they are delivered, they will be held in the front office until the end of the day. At which time the student will be called to the office to pick them up.

SCHOOL IS SERIOUS BUSINESS DRESS FOR SUCCESS

The principal or the principal's designee has the final authority for interpreting whether a student's apparel/appearance conforms to the dress code. When it is determined that a student's clothing or appearance does not comply with the dress code, depending upon the circumstances, a parent may be asked to bring an appropriate change of clothes or the student may be asked to take corrective action. Dress code violations may result in a discipline referral (see SCPS Student Conduct and Discipline Code).

SCPS STUDENT APPEARANCE AND DRESS CODE

Responsibility for the dress and appearance of students enrolled in the Seminole County Public Schools primarily rests with parents and the students. Some student apparel, however, may not be appropriate to wear to school even though that same apparel may be appropriate to wear in other settings. To assist parents and students in making appropriate fashion and grooming decisions for school, the School Board has established the following minimal guidelines for the appearance and dress of students.

The standards of appearance for students shall insure that the students be clean, neat, and properly dressed. They shall observe modes of dress and standards of personal grooming which are appropriate for the academic environment.

It is the responsibility of the principal to see that the dress appearance of any student shall not be extreme, to the point of creating a disturbance, or is hazardous to oneself, others, or school property, whether or not the specific case is covered by the information below. The principal or principal's designee has the final authority for interpreting whether a student's apparel/appearance conforms to the dress code.
